Dear Mr. Kweller:

I went ahead and drafted a letter to the QME requesting clarification on the neck injury. Please let me know if you have any objections to the letter as written, and if I can go ahead and send it at this time. Otherwise, I will give you 20 days to object before sending.

Kindest Regards,

WCAB No: ADJ12031731  
Claim No: 040519008736

Dear Dr. Stoller:

Thank you for your continued assistance in the above referenced matter. You have now had the opportunity to review bilateral upper extremity EMG's, and an MRI of the neck.

It appears that Applicant has some pathology to the neck, but it is unclear how this is related to his job. Please provide a detailed analysis as to the causation of Applicant's neck impairment. Please discuss what at-work activities contributed to the neck impairment, and what efforts you took to rule out nonindustrial causes of the neck complaints.

If applicant filled out any questionnaires, or if you took any chart notes, outlining these issues, please include those with your report.

Your efforts in sending your report at your earliest convenience will be greatly appreciated.

Kindest Regards,
